---

LEADERSHIP EXPERIENCE
Korean-American Christian Fellowship (KCF)   Binghamton, NY
Executive Board – Vice President   May 2024 - Present
- Oversee all of KCF's relationships with other organizations, both on and off campus, directly working with fellow leaders to further the relationships and plan and create effective collaborative events
- Administrate a group page of over 180 KCF alumni, updating them on and involving them in the organization's direction and progress, including through an individually created monthly newsletter
- Engage in external logistics pertaining to KCF, including Student Association activities and YS Kim Foundation meetings, to maintain the organization's functionality

Executive Board – Worship Leader   May 2023 – May 2024
- Attended weekly executive board and monthly leadership meetings to discuss and plan for upcoming events as well as assess direction of the organization to improve qualities of its environment
- Served as liaison between executive board and worship team, actively communicating necessary information between both parties to maintain functionality within the organization's leadership
- Facilitated team meetings three times a week to practice and prepare for worship performances and monitor status of team members in order to encourage wellbeing and regulate proper team balance
- Led a congregation of over 40 college students through multiple worship songs twice a week

---

WORK EXPERIENCE
McCann New York – Craft Worldwide   Manhattan, NY
Production Intern   June 2023 – August 2023
- Revamped the production team's freelancer database on Google Sheets, updating and organizing information on 1,000+ contacts to enable easy access to potential collaborations for upcoming projects
- Cooperated with four interns from Business Leadership, Strategy, Copywriting, and Art Directing departments to develop and present an elaborate integrated marketing campaign for Ulta Beauty
- Partnered with Chick-fil-A, MasterCard, and Ulta Beauty through client meetings and on-field production projects as a production assistant to aid the teams with efficient communication and errands
- Collaborated with a team member on a sustainability campaign following extensive research on local and global environmental conditions to promote awareness on sustainability and net-zero emissions

The Shin Kwang Church of New York   Queens, NY
Teacher   July 2022 – August 2022
- Instructed six upcoming fourth graders on common core English and Math using a unique curriculum with personally made materials and exams to prepare them on expected school material
- Conducted hands-on science activities for rotating classes to stimulate a creative learning environment
- Delivered analyzed input in daily staff meetings on necessary adaptations to improve school qualities
